Are we **CLOSED** for

Snow?

Here's how you know:

❄️ Check your local morning news before heading out the door.

❄️ If CV schools are closed or delayed, so are we.

❄️ Check the Procare App or our Facebook page for updates.

Baby, it's cold outside!

Please remember to bring snow gear (coat, hat, gloves, snow pants, and boots) each day for outdoor play.

All classrooms will be going outside, and we do not want any children to be cold because they aren't dressed appropriately for the weather.

We recommend bringing items home each night to dry – just bring back the cubby bags if you take them home!

Also, to minimize slips and falls we try not to wear snow boots indoors, so **please send a second pair of shoes or comfy slippers** to keep here during the wet winter months.

Santa Claus Is Coming To Town!

Santa will be arriving at our center on Thursday, December 4th at 8:30am. He will be visiting with each classroom to read a story and sing a few holiday jingles, then Santa will meet individually with each child to take a photo and note any special Christmas gift requests.
